

## Enriching Conditioner

Brushing, combing, heat styling, exposure to airborne pollutants and chemical treatments can take a toll on your hair! **Nutriance Enriching Conditioner** brings back the vibrant, touchable, manageable hair you love by delivering moisture where it's needed most. Pro-Vitamin B5 (Panthenol), Sweet Almond Extract, and moisturizing conditioners restore healthy body and shine.

Code 312 | 250 ml

### Why hair conditioner?

- To help restore hair's original shiny, lithe and youthful performance and reverse the damage that occurs from styling and loss of moisture.
- To augment hair's natural protective sebum layer that has been compromised by sun, wind, styling, coloring and even combing and brushing.
- To help hair retain it's normal moisture balance, assisting the control of split ends, and preventing dry, brittle and "fly-away" hair with a mind of its own.
- To give hair more manageable body, and help prevent snagging and tangling.

### Why Nutriance Enriching Conditioner?

- **Unique blend of conditioners** that bond with hair shaft to promote soft, free flowing, glorious and youthful hair. Dry and damaged hair is restored. Helps provide protection from subsequent styling and other environmental challenges.
- **Enriched with Sweet Almond Extract and Pro-Vitamin B5 (Panthenol)** to help maintain hair's natural protective lipid balance and give hair added body and luster.
- Designed as the **perfect complement to Nutriance Revitalizing Shampoo.**
- **Gentle, free-rinsing formula leaves hair vibrant and easy to manage; tangle-free.**
- **Water soluble formula** helps maintain a normal hair and scalp pH.
- **Clinically tested** in one of Europe's most prestigious dermatological research facility.
- **A fresh, clean fragrance** your whole family is sure to love. High quality fragrance components have a pleasing, subtle aroma that never overwhelms.
- The Nutriance Personal Care line delivers **salon-quality performance** from luxurious hair and body care products you can enjoy at home every day.
