Why an Eye Gel Product?

- Eye gels are used for their anti-aging ingredients that all skin types need
- To revitalise and moisturise the skin around the eyes to refresh tired eyes
- To diminish (reduce) dark circles and reduce puffiness around the eyes
- To minimise fine lines and wrinkles

Why Nutriance Organic Insta-Lift Eye Gel?

Nutriance Organic Insta-Lift Eye Gel is a refreshing and soothing eye gel formulated with a base of organic cornflower water and packed with unique ingredients working synergistically to brighten tired eyes and reduce dark circles and puffiness while smoothing away fine lines and wrinkles.

Recommended for all skin types

- Clinically tested and proven to be safe, **well tolerated and non-irritating** under dermatological and ophthalmological control in a leading European skin care clinic.
- Proven to reduce wrinkles by up to 40%* in just 30 minutes.

* On this occasion some degree of wrinkle depth reduction was achieved in 80% of test subjects. Individual results may vary.

Key Active Ingredients

- Cornflower (*Centaurea cyanus*) water is the base of the formulation used to soothe and decongest the skin.
- *Chlorella vulgaris* extract works together with horse chestnut (*Aesculus Hippocastanum*) seed and *Jania rubens* red seaweed extracts to boost the microcirculation and energise the eye area helping to reduce dark circles and ease away puffiness and eye bags.
 - *Chlorella vulgaris* extract, a microscopic green seaweed rich in amino acids and peptides
 - Horse chestnut (*Aesculus hippocastanum*) seed extract rich in polyphenols and minerals
 - *Jania rubens* extract, a red seaweed rich in minerals and trace elements with skin protective, moisturising and brightening properties.
- Wrinkle-fighting and hydrating ingredients;
 - Beech bud extract from the beech tree (*Fagus sylvatica*), packed with polyphenols and amino acids. Beech buds stimulate active cell renewal in the delicate skin of the eyes.
 - *Alteromonas* extract is a marine polysaccharides extract from plankton in the Iroise sea. It enhances hyaluronic acid production to help fight fine lines and wrinkles around the eyes.
 - Brown seaweed (*Fucus vesiculosus*), a kind of Kelp with Beta Glucans for skin hydration.

Insta-Lift Eye Gel brightens tired eyes while reducing fine lines and wrinkles.
