

Nutriance Organic Hydrating Serum

Step 3: Activate & Nourish – Apply the hydrating serums to the face and neck area after the Balancing Tonic. The serums represent the first part of the third step in the basic skin care routine and can be used before the moisturizer. These serums deliver vital nutrients to protect the skin while preparing it for further nourishment.

Why A Hydrating Serum Product?

- Hydrating serums assist skin with moisture retention.
- Skin lacking sufficient moisture can be dry and irritated, becoming tight, rough and vulnerable.
- Dehydrated skin may also accelerate the signs of aging.
- To prepare the skin surface for subsequent steps in your skin care regimen.

Why Nutriance Organic Hydrating Serum?

Rich in marine botanicals which help alleviate and rebalance stressed skin. Formulated in a base containing the patented and pure Molène seawater harvested from the depths of the Molène Archipelago.

Recommended for combination/oily skin

- Clinically tested and proven safe, well tolerated and effective under dermatological control in a leading European skin care clinic.
- A single application of Nutriance Organic Hydrating Serum was found to significantly increase skin hydration in a significant manner after just 30 minutes, an effect which lasted beyond 4 hours.
